Dear sir or madam:

Our work never stops here at the center as women continue to experience unplanned pregnancies and need our services. This all comes at a financial cost which increases year by year. In October we will have our annual fundraising banquet to raise the majority of our budget.

We need your help to make this event a success. Would you consider sponsoring a table? The cost for a table is \$500. Maybe you can partner with someone to do this. As you read the information sheet you will understand the tremendous impact we have on our community.

We hope you will join others and support us as we serve women and their families in North Central Mass.

Respectfully,

Gail Gardner
