Care Net Pregnancy Resource Center of N Central MA, Inc is a Christian, non-profit, licensed medical clinic that offers help and hope to those who are facing an unplanned pregnancy.

We began as the Family Life Center in 1976. We changed our name in 2004 and became a medical clinic in 2006.

All services are offered free of charge and include, but are not limited

- *Pregnancy Testing and Ultrasounds
- *Pregnancy and Childbirth Education
- *Parenting Classes
- *Peer Counseling
- *Abortion recovery classes

We support families by equipping those who carry to term. Our Classes provide essential tools and foundations to build upon as the parenting journey begins. Parents earn “Boutique Bucks” when taking classes and then shop in our onsite boutique.
