Care Net Pregnancy Resource Center of North Central Massachusetts, Inc. offers free pregnancy tests, obstetrical ultrasounds, parenting classes and related services to women of childbearing age, as well as to their partners and children.

Twenty-Four Hour Help Line - By dialing 800-712-HELP, our clients can be helped 24/7 by trained peer counselors.

National Affiliation – This center is an affiliate of Care Net which is based in Virginia. They provide policy and procedure recommendations and standards of care. The center is also an affiliate of NIFLA (National Institute of Family and Life Advocates) whose headquarters are also based in Virginia. NIFLA provides excellent medical clinic guidelines and legal oversight.

Local Information - The center is a 501(c) (3) with all services offered at no cost to the client. We have been in operation in Fitchburg since 1976. The center is supported by local individuals and organizations and must raise its own funds. The national affiliations do not provide funding.

Licensed Medical Clinic – We are licensed by the State Department of Public Health as a medical clinic offering pregnancy testing and limited obstetrical ultrasound services. Out of concern for the health of women and the value of all human life we do not refer for abortion services. We have been helping women in the North Central Mass area and beyond since 1976 when we started as “The Family Life Center”.
